ABOUT US

AL KHOUDH STEEL FURNITURE INDUSTRIAL CO LLC (AKSF) is one of the leading steel furniture manufacturers in the Middle East and is the largest in the Sultanate of Oman. Apart from meeting the requirements of its customers in the local market, the company exports its products to GCC, Africa, Europe, Australia and CIS countries, under the brand name of "HADID". Over the years 'HADID' range of products has carved a niche for itself in the market and is widely regarded as value for money.

We believe that every item of furniture should be an amalgamation of style and substance. Besides being functional, it must also be comfortable, elegant and durable.

We manufacturing base for the "GO" range of Steel Office furniture, a premium range of furniture, made to the British Standards, specially, for the European and Australian Market. The tremendous response from Europe and Australia is proof of the levels of quality that is being achieved by AKSF.

The aim of the company is to attain the leadership status in the furniture industry. It has, therefore chalked out ambitious plans. A substantial sum has been earmarked to do basic research and development so that in the years to come, it will capture a substantial share of the market outpacing its competitors in developed countries.

The Company boasts of a vast range of high quality steel furniture to meet the needs of the office, domestic, school, hotel and hospital furniture. The Company combines the best quality raw material and the latest CNC machines technology for manufacturing its furniture. All products are finished in automatic epoxy powder coating plants to give the products a long lasting and elegant finish.

LOCKERS

Discover our versatile cold-rolled steel lockers, offering ample storage with coat rails, extra shelves, and semi-concealed hinges. Secure belongings with cam locks and name tag holders. Powder coated for durability and featuring robust riveted construction, ideal for schools, offices, gyms, camps and more. Choose practicality, security, and style with our top-notch Lockers.

FILING CABINETS

Crafted from rugged cold rolled mild steel sheet, these cabinets showcase high-quality self-lubricating steel ball bearing slides. Experience effortless locking with a single key for all drawers, offering full or 80% extension. The slides' locking mechanism prevents drawer spring back. An elegant handle with a name tag holder adds a touch of sophistication. Finished with baked powder epoxy coating, these cabinets are built to last with riveted construction, with single/ double tone colors and antitilt.
