- 3. When the application intake opens –9 am Pacific time, 12 noon EST time**
- 4. You need to be in the USA with a Visa.**
- 5. Not being in the USA and having an H1B visa is not the criteria which has been mentioned but we need to wait till the official rules are released.**

# Benefits of Work Permit For H1B

- Canada presents a wealth of job opportunities across diverse sectors, and one of its significant advantages is that many positions do not require a sponsor.
- In Canada, your children can benefit from free education, providing a significant advantage for families. Public education is fully funded by the government, which means that elementary and secondary schooling is available at no cost.
- The visa ensures that you meet legal requirements and can fully participate in your intended activities while in the USA.
